

## **REPORT OF THE PUBLIC RELATIONS COMMITTEE**

Purpose: The purpose of the State Public Relations Committee is to promote and report the activities and work of the Indiana Retired Teachers Association and county RTAs through communications with local chapters, active teachers, legislators, local communities, and the media.

Good public relations tell the stories of the organization, community service projects, and specific individuals to its local members, to active teachers, to local communities, and to area legislators. This communication helps keep IRTA members relevant in the community and with our legislators.

Due to Covid 19 during this entire past year, there were few newsletters and press releases submitted. All web sites were reviewed. Please report to the IRTA office any reports our committee may not have gotten. We will certainly correct any errors. The following is our results. Congratulations to all winners!

Respectfully submitted,  
IRTA Public Relations Committee  
Gary Addison, Chair
